Mobile View

"Bold this and increase the font size. So people my age can view it." -U2

"Should this have a third option?" -U3

"Maybe you should mention that these fields are optional." -U1

The image shows a mobile app interface for 'CHECK MY MEDS'. At the top is a hero section with a green background, a white medical cross icon, and the title 'CHECK MY MEDS' in large white letters. Below the title is the text 'Details on your medication made fast and easy.' and a list of features: 'Find info on your medications fast!', 'View drug reactions and details.', and 'Learn the side-effects others like you have experienced.' Below this is a form section with a dark teal background. It contains the title 'CHECK MY MEDS' in white, a small medical cross icon, and instructions: 'Click the arrow to view a list of popular medications. Then, select the name of the medication you want to search.' Below the instructions is a search input field with the placeholder text 'Enter Medication Name' and a dropdown arrow. Below the search field is a section titled 'Demographic Details' with a person icon. It contains two radio buttons for 'Male' and 'Female', followed by 'Age:' and 'Weight:' labels with corresponding input fields. A 'GO' button is at the bottom of this section. Below the form is a 'TESTIMONIALS' section with a speech bubble icon and a large quote mark. The quote text is: 'Dficia deserunt mollitia animi tempore, cum soluta nobis o sumenda est, omnis dolorese ribautem quibusdam et aut t officiis debitis aut rerum'. At the bottom of the app is a footer with the text 'Copyright © 2015 All rights reserved.'.
